

HAPPENINGS IN AND ABOUT TOWN

OLD TESTAMENT
TESTIFIED OF NEWRitualistic Services Were
Merely Symbols of the
Things to Come.

"All of the old ritualistic services were merely symbols of the things which were to happen in the new covenant," began Rev. Daniel D. Speicher in his sermon at the Grace Evangelical church last night.

"We know in the light of the New Testament that all the blood of the victims burned on the Jewish altars could not wipe away man's sin, but the sacrifices were typical of the great sacrifice which was to come. Even what Jesus did for the blind man was only to signify that he will cure the spiritual blind so that they may see him."

After giving other examples of physical miracles performed by Christ while on earth and showing how they were also significant of spiritual miracles, the speaker divided men into three classes and compared each class respectively to the three persons Jesus raised from the dead. Childhood, the first class, was represented by the little girl whom Christ resurrected. Youth was compared to the young man brought back to life, and manhood was typified by Lazarus who was called from the sepulchre.

Tuesday afternoon at 2:30 o'clock the cottage prayer meeting will be at the home of Mr. and Mrs. Fred Brown, 668 Howard av.

Mrs. Cecil Franklin will speak Thursday evening on "The Angels' Hymn." The Ladies' Aid will have charge of the program.

Last night the music consisted in congregational singing, Miss Ruby Patskowski was the accompanist.

THREE CONVERTS GO
FORWARD TO ALTAR

Three persons went to the altar at the First Evangelical church last night for conversion following the sermon by Rev. W. H. Freshley, who spoke upon "God's Great Invitation." The text was taken from Genesis 2:1.

"The Lord said to Noah, 'Come down from the ark and all thy house into the ark.'"

"The people at this time lived in wickedness," asserted the pastor.

"God raised up Noah to warn them that they should leave their wicked lives or they would be lost for eternity. God is merciful and never smites any of his people without warning. He sent Noah to build the ark, upon which the chosen few would be placed. The construction of the ark took one hundred years, during which the people were busy with the hammer and saw. All this time there was a continuous warning for the people to get right with God, but they heeded not. Then Noah conducted an extensive revival for 20 years, but did not have a single convert."

"After one hundred and twenty years God spoke the text. The birds were singing, nature in full bloom and the people having a good time, but forgetting God. At this time the deluge came and lasted for 40 days and nights. Noah and his family then went into the ark and God shut the door upon the unworthy."

"The last opportunity will come to everyone, just as it did to the people at Noah's time after the warning, and then the door to eternal salvation will be shut."

TWO CONVERSIONS
AT STULL MEMORIAL

Two conversions were the result of Rev. A. V. Babbs' sermon last evening at the Stull Memorial M. E. church on the subject "Spiritual Death."

Mr. Babbs said that he would far rather talk on the subject of spiritual life, but that the circumstances would not permit it, especially at the time of the great revival.

"Anyone," declared the minister, "that is not in the state of Christ is spiritually dead. The first characteristic of death is enmity against God. This forms a state of enmity between man and God, and man is to blame, for God is all-loving. To be without God is death."

"A farmer," said the speaker, "plants seed in the springtime, and after the harvest has come he wonders why the seed has not brought forth fruit. God has given the sunlight to help the growth. He has given the rain and soil to work in unison with its procedure, but if the seed does not take root it is dead. So with the person who, having the opportunity to accept God and does not, he is dead, spiritually."

Tonight will be "open door night" again. Services will not be held Saturday night, but Sunday the regular meetings will be held, with a possibility of the revival running a few days longer, if the attendance guarantees.

All new members will be baptized Sunday morning by either the pouring or sprinkling method.

CODE COMMITTEE MEETS

Members of the building code committee, appointed to arrange and hold examinations for a building commissioner for South Bend, in compliance with the new building code, met Wednesday afternoon with the engineer, Fred J. Anderson, for the discussion of points to be taken care of in the tests, which will be held Friday and Saturday.

NO ROOM IN MANY
HEARTS FOR CHRIST

Men Do Not Mean to be Unkind
They are Merely Thoughtless.

People nowadays are putting Christ in a manger when they shut him out of their lives, just as centuries ago in Bethlehem Christ was consigned to a stable when there was no room in the inn, was the statement of the Rev. G. B. Byrer at the United Brethren church last night in his sermon on the "Shut-Out Christ."

"Our hearts are occupied with so many things that there is scarcely any room for Christ in this day," said Rev. Mr. Byrer. "The people of Bethlehem didn't intend to place any indignity on Christ by putting him in a manger; there simply was no room in the inn. The world today means no indignity to Christ in shutting him out of their hearts; there is no room left, after the heart has been filled with sin, for him. We boast of our Christian nations, of our civilization, of our beautiful churches; we hold up and unfurl to the world the banner of Christ, the emblem of Christianity, but Jesus, the spirit of Christianity, is not there. The great mass of humanity are sharp for money, and dull for Jesus Christ. Men plan, meditate and work out marvelous undertakings for the building up of and development of human institutions of humanity, but little time is devoted to Christ."

In scanning the completed primary lists, it is seen that every district in the state has a progressive candidate for national representative—which may complicate certain details which have been coming to light concerning the desires of Theodore Roosevelt et al. at the coming national conventions. In other words—a progressive national ticket—there will be a chance of putting over those timber where support is needed.

Speaking of complete lists, here's the primary slate in the representative department:

St. Joseph county—George Y. Hepler (D.), Andrus A. Borden (R.), Gustav E. Haslanger (D.), William M. Bergen (R.), Francis S. Wright (D.), Will E. Cady (R.), Russell W. Geyer (R.), Charles A. Byers (R.), W. Alex Grzesek (R.), Desiderius D. Nemeth (R.), Marion S. Gorski (D.), Dayton D. Mangus (R.), John J. Konzen (D.), Lawrence Romine (D.), E. C. Laidlaw (R.).

And as to joint-senator, we have, with a progressive candidate, the following:

St. Joseph and Marshall counties—Shepard J. Crumpacker (R.), Charles A. Hagerly (D.), Alonzo B. Farmwald (Prog.).

"You cannot become better by merely subtracting evil from your lives," declared Rev. W. H. Appleby at the Lowell Heights M. E. church last night. "The only method which the Bible gives as one of substitution." His sermon was based upon the text, "Wherefore shall a young man cleanse his ways?" (Psalm 119:9).

"When a young man begins to ask himself this question he considers the things which he will add to his life and the things which he must subtract. First he says, 'I am going to cut out this or that, in order to mend my ways.' It is very difficult, this process of subtraction. There is only one man in a thousand who can withdraw himself from his old ways and walk the path of righteousness and integrity. When he does so, he finds that, though he seems sound and moral from without, his heart contains a brood of unclean images."

"The outcome usually is that he falls back into the old rut before many months have passed. It is not hard to fall back, to be a good forger, and will power to cleanse our very hearts—will power which the average man hardly ever has. Before you begin this process of subtraction of your sins, withdraw yourself from your old surroundings."

"We are too easily satisfied with ourselves to really reform. We feel that, if we are as good as the average church member that that is all which is required of us. This should be no standard for a man who is urged to be perfect, as God is perfect. Does it make you any better to be as good as someone else? We should stand on the shoulders of our fathers and be even better than they were."

"Before you take on a habit you should ask yourself, 'Whether it will lead me?' If you can adequately picture the result of your actions, there will be a lot of sins which you will never commit. Honestly take heed of your life tonight. Here is the book that reveals a man's soul to him, the book which will light your path and show you how to cleanse your heart, the foundation which will purify a man's whole nature so that it will be acceptable in the sight of God. If you take it for your guide your life will be a Gibraltar that all the sin in the world cannot corrupt."

The minister, Rev. Guy H. Black, has been called home on account of the serious illness of his mother. Rev. Appleby will speak tonight, which will be Ladies' Aid night. The services will be conducted by the women of the congregation.

LODGE NOTES

At a special meeting to be held at the Pelletier hall, Washington and Main sts., Friday night, the third degree will be given to a large class before the grand lodge officers. The work will be put on by the degree team of South Bend lodge, No. 29. Preceding the lodge meeting there will be a public reception to the grand lodge officers. This reception will begin at 7:30 o'clock and will be open to all Old Fellows and Relatives and their friends.

A class of 12 candidates from Abraham Lincoln lodge were given the second degree Wednesday night by South Bend lodge, No. 29. These candidates, and probably eight others, will receive their third degree work at the special meeting next Friday. A smoker will be held and refreshments will be served after the initiation at that time.

HOLD ROUTINE SESSION

Board of Health Hears Reading of Annual Reports.

Routine business and the hearing of annual reports was the sum total reported from a meeting of the city board of health at the city hall Wednesday afternoon. Much of the time of the meeting, which was not called until late, was given over to the reading and discussion of minutes of the past year, with several recommendations as to work for the future.

Knights of Columbus will hold a joint initiation of candidates with the Notre Dame council Sunday evening, March 5, in the American hall. Friday evening the members will give a card party at their home and on next Tuesday evening the regular business meeting will be held, for which some prominent speaker will be obtained.

Political Gossip

Thirteenth district—Henry A. Barnhart, Rochester (D.); Andrew Jackson Hickey, Laporte (R.); Clarence Stephens, Plymouth (P.).

That's what happened quietly and without state notice through the rush of the last hours for primary filing. The moose call went out through the 13th district, and was heard, and in the result of the call may be seen a reason for the maintaining of progressive organizations in St. Joseph and other 13th district counties.

In scanning the completed primary lists, it is seen that every district in the state has a progressive candidate for national representative—which may complicate certain details which have been coming to light concerning the desires of Theodore Roosevelt et al. at the coming national conventions. "Draw a long breath of relief. There will be no opposition to the bull moose congressional candidacy of Dr. Profundus Hoffman of Auburn. The young Huntington barrister who opposed him is now the subject of a commission of lunacy. One by one the roses wither."—Fort Wayne News.

Burton Taylor puts it. "One by one the nuts are dropping," which, viewing politics in general through a broad and unclouded lense, is much more appropriate.

Republicans will make their fight in Clark county in part on the theory of "rotation in office," which they construe as permitting the office to be passed around among various persons, says a Jeffersonville dispatch. The democrats, the republicans say, are also in favor of rotation of office, but wish the same bunch to keep on rotating. The list of democratic candidates suggests as much.

For sheriff, William Long, about 12 years as township officer, several years as special officer on excursion steamers, four years as chief deputy sheriff, one term as sheriff, seeks renomination; Isaac G. Phipps, several years as township librarian, four years as township trustee, two years as sheriff, wishes another term. For county treasurer, John B. Carr, four years as sheriff, Bernard A. Coll, four years as treasurer, and four years as city councilman; J. Ed. Gray, trying to "break in." For county commissioner, Peter Nachand, four years as county auditor, seeks second term as commissioner; Samuel L. Gray, three years as township trustee, seeks second term as commissioner; Daniel W. Bower, about 12 years as commissioner and wishes three more. For county surveyor, Paris Spurgeon, served about 10 years. For coroner, Frank M. Coats, held by himself and father almost continuously for 20 years.

The dispatch speaks well for administrations democratic, if the holders are returned and promoted so often.

LINCOLN LEAGUE MEETS

Arrange for Election of Officers and Discuss Banquet.

Members of the executive board of the St. Joseph County Lincoln league club met Wednesday night in the offices of John G. Yeagley in the Summers building, and made arrangements for the annual election of officers to be held at a meeting scheduled for next week.

John DeHaven was named chairman of a nominating committee which will report at the coming session of the club as a whole. Banquet plans were discussed somewhat informally. Mr. Yeagley now heads the Lincoln club, with Stanley Stephenson as secretary.

ALL OFFICERS
ARE REELECTEDCatholic Women's Club Pays
Tribute to Mrs. W. G. Crabill's Administration.

Mrs. W. G. Crabill, as president, and her entire corps of officers were reelected unanimously Wednesday evening at the annual meeting of the Catholic Women's club held in St. Patrick's hall. Mrs. Crabill has been president of the organization since the resignation of Mrs. Thomas Dehey six months ago. Her administration has been so successful that her reelection was greeted with enthusiasm. The officers who have remained with her in office are Mrs. W. D. O'Brien, vice president; Mrs. William Cassidy, treasurer; Miss Sarah O'Neill, recording secretary, and Miss Genevieve Winkler, corresponding secretary. Besides these officers 20 directors were elected.

In addition to the business features of the meeting a delightful program of gymnastic drills and dances was given by the gymnasium classes of St. Patrick's parish, under Miss Victoria Stanka, and St. Joseph's parish, under Miss Eleanor Galk, which have been taught during the past winter under the auspices of the club. Dainty refreshments were prepared and served by the domestic science classes.

Makes Excellent Report.

Mrs. Crabill opened the meeting with a brief talk and an excellent report which showed a large attendance at the classes in Bible study, English, sewing, gymnasium and domestic science, which the club has been fostering. The gymnasium classes have an enrollment of 112, with an average attendance of 80, while the domestic science classes with an enrollment of 102, show an average attendance of 90. The smallest weekly attendance for the year has been 147, while the largest has been 231.

The treasurer's report showed that the club has taken in in dues during the year \$218.24 and has expended \$115.59, leaving a balance in the treasury of \$102.65.

Rev. John F. DeGroote and Rev. P. J. Carroll were both in attendance at the meeting and each gave brief talks commending highly the work of the organization.

BEGIN PLANS FOR
VACANT LOT GARDENS

Consideration was given to the work of vacant lot gardening at a meeting of the vacation committee Wednesday afternoon. Definite plans for the work will be taken up soon and, in view of the fact that the work can be better systematized this year, there is hope that it will be more successful.

The committee also took under consideration the work being done by the new Sample Street Civic club. The last report of the civic federation was approved.

M'CRAY LEAVES CITY

Warren T. McCray of Kentland, candidate for the republican nomination for governor at the March primaries, after a two days' stay in South Bend, leaves today for Goshen and other interurban points for addresses in the interest of his candidacy. While here Mr. McCray covered a great deal of territory, and was favorably received by factors in G. O. P. politics. He expects to return to South Bend within two weeks for a longer stay.

Y. M. C. A. NOTES

A talk on "Success" was given before the Senior Bible class at the Y. M. C. A. by Mr. Jonas Wednesday evening. Following the meeting of the class there was a meeting of the cabinet which made plans for the ladies' night to be held next month. March 10 was preferred as the date for the affair but no date was definitely decided upon. The last regular meeting of the class will be held on March 1.

Reservations for the second annual Mothers' and Sons' banquet to be held at the Y. M. C. A. on Feb. 18 have been coming in so rapidly that there are now only a few tickets left. The attendance at the banquet will be limited to 225. The principal address will be given by Rev. C. A. Lippincott. Mrs. H. G. Walton will act as toastmistress. Music will be furnished by the intermediate boys' quartet.
